

## Section A Urban Concept Proposal Results

PIN	Rank	Applicant	Title	Proposed Applicant Share	Requested Funds	Comment*	Invite Back?
10231	1	Marin Municipal Water Dist.	Regional HECW Rebate Program	\$7,155,290	\$2,981,350		Yes
10191	2	Santa Clara Valley Water District	HET Installation Program for MFDs and CII	\$1,352,000	\$553,750		Yes
10309	3	City of Woodland	City Parks Irrigation Improvement Project	\$2,003,500	\$996,200		Yes
10242	4	Central Basin Municipal Water Dist.	High Efficiency Living Program	\$1,696,000	\$1,491,500		Yes
10280	5	Paradise Irrigation District	WUE Main Replacement Project 2, Skyway	\$441,612	\$522,901		Yes
10165	6	Contra Costa Water Dist.	Water Smart Controller Rebate Program	\$127,068	\$120,000		Yes
10211	7	Municipal Water Dist. Of Orange Co.	Multi-stream, multi-trajectory rotating nozzles	\$536,140	\$851,333	Local cost share can not come from State funds. Installation of irrigation systems in new construction is not eligible.	Yes
10124	8	City of Los Angeles	Residential Smart Irrigation Controller Device Install	\$2,286,120	\$1,650,000		Yes
10355	9	City of Maywood	Helping Our People and Environment (HOPE)	\$495,000	\$524,000	State funds can not be used for local cost share.	Yes
10307	10	El Dorado Co. Water Agency	CABY-Regional Water System Reliability	\$2,896,671	\$1,080,000	Project is 36% Urban and 64% Ag- State and Local Shares adjusted accordingly.	Yes
10276	11	Regional Water Authority	Regional Toilet Replacement Program	\$1,125,000	\$1,120,000		Yes
10210	12	Municipal Water Dist. Of Orange Co.	Hotel Water Use Reduction Program	\$1,540,664	\$741,563	Matching local funds cannot be from State funds given to a co-applicant. The number of waterless urinals are questionable. All applicants must meet UWMP requirements. The proposal needs to include a more complete description of how the estimated benefits will be achieved and how realistic these estimates actually are.	Yes
10152	13	Victor Valley Water District	Residential HET Exchange Program	\$175,500	\$175,500		Yes
10173	14	Metropolitan Water District of Southern California	HECW Program Targeting Water Factor 5.0 or better	\$2,000,000	\$2,000,000		Yes
10295	15	City of Oxnard	Residential HET Rebate Program	\$77,412	\$23,268		Yes
10325	16	East Bay MUD	Food Service Water & Energy Efficiency One Stop	\$221,375	\$221,375		Yes
10265	17	West Basin MWD	CII Incentive Program	\$563,000	\$472,000		Yes
10322	18	East Bay MUD	Automatic Meter Readings	\$253,001	\$253,001		Yes
10141	19	Paradise Irrigation District	WUE Main Replacement Project 1, Bille Road	\$662,361	\$602,971		Yes
10248	20	Central Basin MWD	Urban City Makeover Program	\$66,760	\$119,625		Yes
10378	21	Lake Arrowhead CSD	Indoor/Outdoor Retrofit 100% Compliance Program	\$12,526,550	\$3,000,000		Yes

10418	22	Box Springs Mutual Water Co.	Infrastructure Rehabilitation Project	\$0	\$3,000,000		Yes
10166	23	El Dorado Irrigation Dist.	CII/Single & Multi-family ET Controller install & voucher	\$458,350	\$458,350	Water savings are low compared to project costs. Describe more about how well the local cost share matches the local benefit. Elaborate on CABY IRWMP coordination. The Step 2 proposal needs to include a discussion on water quality impacts.	Yes
10334	24	Santa Clara Valley Water District	Commercial HECW Rebate Program	\$478,500	\$645,000		Yes
10387	25	San Francisco PUC	HET Low-income direct install program	\$300,000	\$200,000		Yes
10391	26	Otay Water District	Multi-Family & Commercial HET Installation Program	\$197,050	\$80,250		Yes
<b>Proposals below this line received a score above 70 but exceeded 200% of available funds.</b>							
10263	27	Contra Costa Water Dist.	Bay Area HET Rebate Program	\$3,600,000	\$2,250,000		No
10245	28	Walnut Valley Water Dist.	HET for Multi-Family	\$273,750	\$150,000	Matching local funds cannot be from State funds given to a co-applicant. Be very detailed about collecting data on savings, and how the project will be monitored. An outreach component would be helpful. Cost table needs more detail.	No
10344	29	San Francisco PUC	Food Steamer Replacement Program	\$344,908	\$344,000		No
10393	30	City of Brentwood	Smart Irrigation Controller Pilot Program	\$254,129	\$97,050	Benefit to cost ratio is low.	No
10457	31	Long Beach Water Department	Elimination of Manually-Operated Control Valves	\$28,376	\$42,282	The proposal needs to show current management practices. With irrigation scheduling dependent on availability of labor it is unclear if the landscape goes through deficit irrigation and application of over irrigation making the applied water at low overall efficiency. Proper irrigation can eliminate deficit irrigation and increase plant water consumption. Irrigation needs in coastal areas are low to start so easy to over water.	No
10115	32	City of Folsom	Residential WUE Improvements -Meter Retrofit Program	\$4,413,750	\$2,942,500		No
10246	33	City of San Bernardino MWD	Comprehensive Water Conservation Plan	\$381,000	\$381,000		No
10330	34	City of Oxnard	HECW Rebate Program	\$416,694	\$155,466	Matching local funds cannot be from State funds given to a co-applicant. Low benefit to cost ratio.	No
10252	35	West Basin MWD	Complete Restroom Retrofit Program	\$287,500	\$545,250		No
10234	36	Pratt Mutual Water Company	Meter Program	\$0	\$579,588	Costs seem high compared to other meter installation proposals. More funding for monitoring and reporting, as well as public outreach and education on conservation, would make this a stronger proposal.	No
10303	37	City of Woodland	Expedited Water Meter Installation Project	\$1,165,700	\$2,984,600		No
10169	38	Three Valleys Municipal Water Dist.	Public Spaces Sprinkler Retrofits	\$126,500	\$72,450		No

10315	39	Moulton Niguel Water Dist.	Irrigation iCentral Control Systems	\$49,257	\$35,310		No
10159	40	Santa Ana Watershed Assoc.	Return to Natives in Norco	\$120,000	\$393,276		No
10281	41	City of Santa Ana	Santa Ana Park Irrigation Efficiency Project	\$58,272	\$121,637		No
10154	42	Los Angeles Co. Waterworks Dist.	Ultra Low Flush Toilet Change-out Program	\$252,000	\$904,800	Cost share is low (23%) compared with other applicants. The applicant should provide more detail on how their estimated benefits were derived.	No
10158	43	City of Roseville	Water-Wise House Call Incentive Program	\$47,900	\$17,000	Water savings can not be verified.	No
10323	44	East Bay MUD	WaterSmart Loan Program	\$582,500	\$582,500	Provide information on project timeline to be completed within in 3 years. Explain water savings calculation and document water savings. The project and budget should demonstrate what will happen to the loan monies when they are paid back.	No
10215	45	Richgrove CSD	ULFT Installation Program	\$0	\$245,829		No
10454	46	City of Torrance	Runoff Reduction MP Rotator Project	\$367,000	\$388,000	Needs better description of current water applications.	No
10371	47	Elk Grove Water Service	Residential ULFT Replacement Project	\$3,000	\$30,000		No
10203	48	Alpaugh Joint Powers Authority	Alpaugh Leaky Water Line Replacement Project	\$0	\$461,578	Benefit to cost ratio is low.	No
10172	49	Metropolitan Water District of Southern California	Smart Controllers & Irrigation System Retrofit Program	\$3,000,000	\$3,000,000	Proposal did not include adequate information. Number of ET controllers were not identified.	No
10185	50	Pleasantimes Mutual Water Company	Water Meter Installation Project	\$159,520	\$157,025		No
10439	51	City of Fillmore	SDI Effluent Disposal Project	\$1,880,000	\$2,976,500		No
<b>Proposals below this line received a score below 70.</b>							
10285	52	City of Sacramento	McKinley Park Irrigation Infrastructure Improvements	\$115,006	\$1,036,156		No
10340	53	City of Santa Rosa	Irrigation Hardware Rebate Program	\$194,655	\$149,745		No
10380	54	Mesa Consolidated Water Dist.	SmarTimer Installation Program	\$200,000	\$200,000		No
10404	55	City of Fillmore	Nexus Sewer Billing Program	\$19,800	\$188,100		No
10312	56	Sacramento Co. Water Agency	Laguna/Vineyard water meter installations	\$4,700,000	\$3,000,000	No benefit estimates were made. Inadequate project description.	No
10230	57	City of Redding	Residential Plumbing Retrofit-Indoor and Outdoor	\$5,250	\$15,000	No benefit estimates were made	No
10218	58	City of Newport Beach	Watershed Rehabilitation & Protection Program	\$146,400	\$545,625	Project is locally cost effective and project costs are high. Locally cost effective projects limited to 10% funding	No
10225	59	City of Turlock	Water Meter Installation Project	\$3,645,625	\$2,999,259	Benefit to cost ratio is low.	No
10198	60	Inland Empire RCD	San Bernardino Warm Creek WUE Project	\$91,155	\$160,260	The project seems reasonable, however the applicant needs to do a better job quantifying the benefits that will be achieved. Not sure that project will really have 10 year life span.	No

10261	61	City of Redding	BMP 5 Large Landscape Cons.	\$7,500	\$54,000		No
10205	62	City of Livingston	Leaking Pipe Replacement	\$3,060,000	\$1,020,000		No
10441	63	Palmdale Water Dist.	ET Based Controllers for New Construction	\$153,340	\$153,340		No
10199	64	Home Garden CSD	Efficient Water Use	\$0	\$1,253,000	New storage tank is not eligible	No
10241	65	City of Pomona	HET Direct Installation Program	\$1,700,000	\$2,350,000		No
<b>Proposals below this line were ineligible and not scored.</b>							
10164	n/a	Calaveras County Water Dist.	Downtown West Point Water Dist. System Improvements.			No UWMP submitted	No
10229	n/a	City of Port Hueneme	Second Phase of Citywide Meter Installation			No UWMP submitted	No
10339	n/a	Calaveras County Water District	CCWD High Efficiency Appliance Rebate Program			No UWMP submitted	No
10392	n/a	Lake Arrowhead CSD	Groundwater Production Wells			The project drills wells to increase water supply - Ineligible	No
